## **About Mazer Wholesale, Inc.**

Hi, I'm Andrew Mazer. I'm the owner and founder of the company which I started in 1986 in the basement of my parents' hardware store in Philadelphia.

After I graduated from high school, I attended Temple University in Philadelphia as a health education major. I was expecting to be a gym teacher and an athletic coach. When my father had a heart attack in 1984, I left school to help out in the hardware store while he recovered.

I had worked in the hardware store on weekends as a kid, but I never really liked it. But now I was 20 years old and in a position where I really mattered to the business and my family. Then, the "business bug bit me!" and I never returned to college.

Mom and Dad were loved by their customers. I learned so much from them. Dad showed me how to get up early, open the store early, and be prepared for the day. Mom showed me how to sell, how to merchandise, and especially how to treat customers. I felt the need to spread my wings. I'd developed a passion for business but I saw a future which transcended the "neighborhood store."

Now, after decades of experience, modeling my parents' work ethic, acquiring 100's of loyal customers and learning to market my business and product on the internet, I have continued the journey, even while facing giants like Home Depot, Lowe's, Walmart, and other mega suppliers.

## Terms of Sale

Shipping: We ship using the most economical methods. Orders over 300 lbs. Are usually more economical to ship on a pallet via trucking company. Orders under 300 lbs. Are usually shipped via UPS. We generally ship via the least expensive method which we consider reliable. The customer may request a faster means of transportation if one is available (usually at a higher price).

We ship as quickly as possible-usually 1 or 2 business days after we receive the order. We make no delivery date guarantees but we will always do our best to ship quickly.

Returns: We stand behind everything we sell. If the product is broken, damaged upon delivery, or deemed defective, we will replace it or refund the money for that portion of the order, whichever best suits the customer.

We do not accept returns of items purchased in error or if you or your customer changed their mind. If an order is shipped and refused at delivery, the customer is responsible for the outbound shipping, the return shipping, plus a 50% restocking fee.

Payment: Open credit terms are allowed for Schools and Government Entities only. All others pay by credit card. Schools and Government Entities who don't pay within terms are cut off from future open account privileges. No exceptions.

Special Orders: Any window blind or shade which must be modified to a specified size must be paid for with the purchase order. No product can be modified without payment in advance.

Prices Are Subject to Change Without Prior Notice. The latest pricing will always be on our website.

I truly hope we get the opportunity to serve you.

Respectfully,

*Andrew Mazer*
